

**MAHATMA GANDHI VIDYALAYA SR.SEC.SCHOOL[DBHPS] CBSE
ANNUAL REPORT FOR THE ACADEMIC YEAR 2025-2026**

ACADEMICS ACHIEVEMENTS:

- **Our students have once again proven their excellence in academics. In the CBSE Board Examinations our 14th Batch of Class X students brought laurels to the school through their excellent performance in 2025 March Board Exam. M.Pranav and Harshitha Prasanna secured the first place, Arjun.R Secured Second place and R.Yash Sancheti Secured the third place. Best wishes to those students for their future endeavours.**
- **We have applied for Recognition and NOC on 13.03.2025 and we have received Recognition and NOC of our School till 13.03.2028 from the State Government during the month of June.**
- **Yanithyashvanth of class V has secured first place in State level Interschool Swimming Competition conducted by MSME kids Sports Academy.**
- **Nikitha.M, Dinesh Kumar, Ramsaran, Srinith.M, Vasi.P were won First prize in the Essay competition conducted at Ramakrishna South School on account of Youth day.**
- **A.Krithvik of Class III secured first place in National level Karate championship.**
- **To enhance the talents of our students “FORTE 25” Children’s Day competitions were conducted and winners were awarded.**

PROJECT DAY

- **We have successfully organized a grand and intellectually vibrant prestigious School Project, “EK BHARAT SHRESHTHA BHARAT – PRADHARSHAN 2025”, on 23rd December 2025, with the objective of inculcating national spirit and patriotism in young minds.**
- **The programme was graciously presided over by Shri V. Muraleedharan, President – DBHPS and Former Union Minister of State for External Affairs, Government of India.**

CO-SCHOLASTIC

SPORTS

We believe that both Scholastic and Co-Scholastic activities are very essential to bring out the fullest potential of our students. Sound mind in

sound body, our students are trained in Football, Volley ball, Kho-Khoby the teachers.

YOGA

Yoga, an integral part of our co-curricular activities instils a sense of discipline and is being trained by our Yoga Master Mr.Kirubanandan.

CARNATIC MUSIC

Our school continues its proud tradition of nurturing Indian classical arts Our School choir is being trained in Carnatic music by M/s. Vinodha Priya and they deliver memorable performances during festivals and inter-school events.

CLASSICAL DANCE

Classical dance training is givenby Smt.Sreekala Bharat, Kalaimamani Awardee. We havea wonderful team of young dancers who mesmerize the audience everytime through their performance.

LEARNING LANGUAGE IS A SKILL

- Apart from teaching Hindi as a Second Language we have made it mandatory that right from Class UKG we teach Hindifollowing the syllabus of DBHPSand prepare the children for a certificate programme. Many of our Parents were also benefited by the Hindi Classes.

BAND

Our school band troop is trained by the Band MasterMrs.Kohilawho has puts in tremendous efforts for the splendid performance of our students.

SCOUTS AND GUIDES

As a part of National Building, we started our “Scout wing” since 2014

This year about 50 students are trained under an able instructor Mr.Vinoth.As part of their scout activity, we take our students for Trekking and other Social Service activities.

To inculcate social responsibility from young age “Bulbul” group was started for classes III-V who are trainedby Mrs.Padma who had attended a 7 day Adult Leader Training Course at Hoskote Camping and Training Centre, Perambur.

The exhibition stood as a testimony to our students’ academic excellence, innovative thinking, and futuristic vision. The working scientific models, logical mathematical applications, historical narratives, business concepts,

artistic creativity, and AI-driven ideas beautifully reflected India's rich heritage, cultural diversity, scientific temper, technological advancement, and holistic well-being, further emphasized through Fit India and Yoga demonstrations.

WORKSHOPS AND WEBINARS

Continuous professional development is pivotal to our success. Every year Principal and teachers attend various subject enriching CBP workshops conducted by CBSE COE to enhance themselves.

Professor. Dr. Sultan Ahmed Ismail our well-wisher, Soil Biologists & Member of State Development Policy Council conducted workshop for teachers on enhancing Teaching ability and also for students and Parents on changing Trends of Career.

Often, we invite eminent resource people to conduct online or offline training programs on various topics.

- An orientation Program was given to students on cyber security by Shri. Sathish Ashwin – Head Information Security Gain Credit.
- Orientation Program was conducted to KG Parents by our Director mam.
- Orientation Program for Class X Parents were conducted with regard to two board examination.

- Smt. Poornima (PGT-Psychology) conducted an in-service program for our Class 11 & 12 students for Psychology.

Apart from these, Director mam used to conduct in-service programs for the teachers. These initiatives have enriched teaching practices, ensuring our educators stay ahead in their fields.

CELEBRATIONS AND EVENTS:

- Celebrations are always a matter of great Joy and happiness. Our school Chronicle is designed well ahead and all our activities go in accordance with the planner.

- As ours is a secular Nation we enjoy celebrating National & Religious Festivals with appropriate Chief guests and with Pomp and Grandeur.

- "A good teacher is related a candle that consumes itself to light the way for others." We celebrated and honoured our faculty on Teachers Day.

- All the CBSE activities like Swachh Survekshan, Rashtriya Ekta Diwas, Road Safety awareness program, Vigilance Awareness week, Fit India School week, Pariksha-Pe-Charcha Context were conducted religiously.
- People from Bank of Baroda were conducted competition to our students on vigilance awareness.
- In connection with Bharatiya Bhasha Utsav, our students were dressed as MahakaviBharathiyar and took part in a rally around the school campus, spreading the message of the importance of Indian languages.”
- Investitures ceremony was conducted to recognize the leadership qualities. National Mathematics day, National Youth day and National Science day was celebrated on account of birth anniversary of Srinivasa Ramanujan, Swami Vivekananda and Sir.C.V.Raman.
- To create a platform for open communication between teachers and parents and to discuss students academic progress, behavioural development, strengthsand areas for improvement Open days were conducted.

FIELD TRIPS

Every year we take our children to different places. This year we are planning to take our children to Dakshin Chitra to inculcate cultural values of our country.

HEALTH CAMPS

As part of our commitment to the health and well-being of our students, an Eye camp was organized by RadhathriNethrayalaya in the month of August &a Dental Health Camp by Lions clubduring the month of November.

INFRASTRUCTURE

The school made significant advancements in infrastructure to enhance the learning environment:

- Interactive panels were incorporated to the class rooms to make it as smart one.

- **The library was revamped with digital resources and new books.**
